

MEALS FROM THE HEART

RONALD MCDONALD HOUSE CHARITIES®
OF CENTRAL ILLINOIS

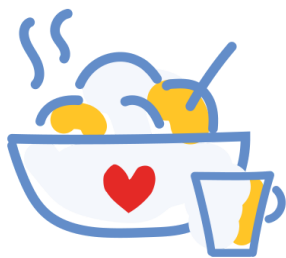

Peoria House

Ronald McDonald House offers free accommodations and meals to families with children receiving medical care, providing 8,231 nights to 432 families last year. Our families spend long days at the hospital and your support can help by providing them with a comforting, home-cooked meal. Join us in our mission to help families in need.

Who Can Participate

- You don't have to be a trained chef! Just someone who cooks from the heart
- Groups can be up to 12 people
- We love to include children in your group! Please let the Volunteer Coordinator know if children will be included in your group so we can plan an excellent visit for them. Children under the age of 18 must be accompanied by an adult
- Business groups may have access to our community room for meetings before or after your cooking activity. Arrangements must be made in advance with the Volunteer Coordinator
