

MEALS FROM THE HEART

RONALD MCDONALD HOUSE CHARITIES®
OF CENTRAL ILLINOIS

Springfield House

Ronald McDonald House offers free accommodations and meals to families with children receiving medical care, providing 8,231 nights to 432 families last year. Our families spend long days at the hospital and your support can help by providing them with a comforting, home-cooked meal. Join us in our mission to help families in need.

Who Can Participate

- You don't have to be a trained chef! Just someone who cooks from the heart
- Groups can be under 8 people
- We love to include children in your group! Please let the Volunteer Coordinator know if children will be included in your group so we can plan a great visit for them

- The Springfield kitchen is stocked with pots, pans, utensils, and basic spices for you to use
- You will set-out the meal on the counter like a buffet using our serving dishes

- Depending on their schedules, you may or may not interact with families. We ask that you respect their privacy and engage with them only when invited
- An outdoor grill can be used in the warmer months
- You are welcome to leave once your food is prepared, and the RMHC staff will handle the final clean-up and storage of any remaining food
