HOLIDAY WISH LIST

We try to make the holiday season extra special for our families at the Houses and in our partner hospitals. And by "holiday season," we begin with Diwali and Halloween and end with New Year's Day, encompassing many celebrations such as Hanukkah, Kwanzaa, and Thanksgiving.

We care for kids ages newborn to 22 years and their families, including siblings, parents, guardians, and grandparents. We only collect new, unwrapped items that do not promote violent or aggressive behavior. Donations can be shipped directly to one of our Houses or delivered in person between 8am and 8pm (we ask that you notify us 24 hours in advance of bringing a donation so we can prepare for your arrival).
